HOW TO JOIN US

You just need to register on www.wffm2017.eu/young: visit our website or our FB page to keep up-to-date with the program.

HOW TO REACH THE CONGRESS

Verona's airport (<http://www.aeroporto.verona.it/>) is really close to Verona as well as Mantova, and there are daily bus connections to both the cities. If you can't find a flight to Verona, Milano's and Venice's airports can be a good alternative. From there it's less than 2 hours by train to Verona.

ACCOMMODATION

We suggest to YFs to look for an accommodation in Verona, as this will be the hearth of our meeting. You can check on Airbnb or the other main booking websites for cheap places as b&b, apartments, etc., or contact the Youth Hostel (<http://www.ostelloverona.it/>). We also suggest to choose places in the city centre, in order to make transfers easier. If you need some help, or you are a big group, you can contact the Verona's YFs.

TRANSFERS BETWEEN MANTOVA AND VERONA

The Congress organizers will provide a shuttle connection between the two cities every day. Anyone will need to reach Mantova from Verona the first day for the registration can contact the YFs meeting organizers.

COSTS AND FEES

For the Young Friends the participation at the Congress is free of charge, and we ask a fee of **50 euros** per participant to partially cover the costs. Mrs Carla Bossi Comelli, former secretary of WFFM, supports the YFs meeting offering some scholarships to the participants: please see the attached application form below or visit <https://goo.gl/faSvWJ>. For more information please contact Sofia Weil de Speroni at swsperoni@gmail.com.
